Indeed, the number of months with Allah is twelve [lunar] months in the register of Allah [from] the day He created the heavens and the earth; of these, Four of them are Sacred. That is the correct religion, so Do Not Wrong yourselves during these moths...(9:36)

*NOTE: We are in Dhul-Qidah, the first of 4 sacred months. As Muslims we must avoid sinning and honor these months the best way we can, inshaAllah*
