*Abudllah Ibn Abbas (ra) Narrated about 10th of Muharram Tragedy:*

At noon one day, I saw Prophet of Allah (saw) as anyone sees in his sleep, He looked messy, covered with dust, while holding a bottle of blood in his hand. I said, my father and mother be ransomed to you, what is this? He (Prophet Muhammad peace be upon him) said: "This is the blood of Husain (my grandson) and his companions that I have not ceased to collect all through today."

I reckoned that time and found out that Husain (as) was martyred at that time (when Prophet was distressed like this).
