On the first night of the month of Ramadan, the devils are chained and the jinn are restrained, the gates of Hellfire are closed and none of its gates are opened. The gates of the sky are opened; The gates of Allah's Mercy are opened; The gates of Paradise are opened and none of its gates are closed; and a caller (angel) announces: O seeker of good, come near! O seeker of evil, stop short! Allah has those He saves from the Hellfire, and that is during every night.
